

SEEGMA AGENCY

WE BRING THE PREMIUM QUALITY
PRODUCTS MANUFACTURED BY OUR PRINCIPAL COMPANY.

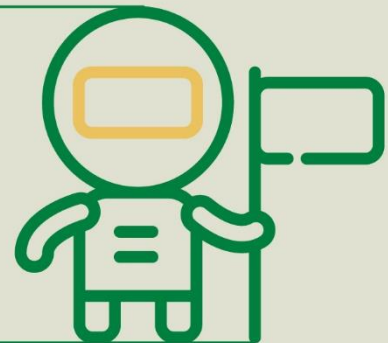

ABOUT US

Seegma Agency

Seegma Agency Established in 1992, Seegma Agency is a Market Leader in the distribution of versatile chemicals. Seegma Agency are engaged in the business of industrial chemical products. We are committed to enhance customer satisfaction through our quality products for continuous improvement in customer's qualitative production and growth.

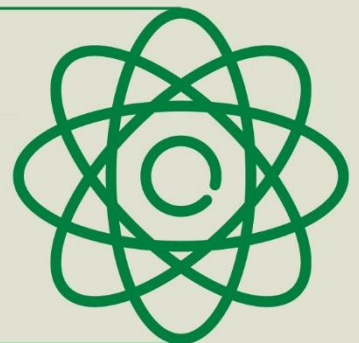

Our Mission and Vision

Bridging the gap between innovation and application, we distribute a diverse range of high-performance chemicals, empowering businesses to achieve their full potential. As leaders in responsible chemical distribution, we champion sustainability, fostering safe practices and eco-friendly solutions to shape a brighter future.

Our Leadership Team

Our leadership team is a powerful blend of industry veterans and rising stars, all passionate about responsible chemical distribution. They possess a wealth of experience in sourcing, logistics, and safety, ensuring we deliver high-performance chemicals while championing sustainable practices for a brighter future.

PROUD REPRESENTATIVE OF:

OUR PRODUCTS

Caustic Soda Group

- Caustic Soda Lye
- Caustic Soda Flakes
- Caustic Soda Prills
- Sodium Sulphate (Anhydrous) (Na_2SO_4)
- Hydrochloric Acid (HCl)
- Sodium Hypochlorite (NaOCl)
- Liquid Chlorine (Cl_2)
- Compressed Hydrogen Gas (H_2)

Special Chlorine Derivatives Group

- Chlorinated Paraffin (CP)
- Anhydrous Aluminium Chloride (AlCl_3)

Sodium Chlorate Group

- Sodium Chlorate (NaClO_3)

Caustic Potash Group

- Caustic Potash Lye (KOH)
- Caustic Potash Flakes (KOH)
- Potassium Carbonate (K_2CO_3) - Powder & Granules

Chloromethane Group

- Methylene Chloride (CH_2Cl_2 - Dichloromethane)
- Carbon Tetrachloride (CCl_4 - Tetrachloromethane)
- Methyl Chloride (CH_3Cl - Monochloromethane)
- Chloroform (CHCl_3 - Trichloromethane)

Phosphoric Group

- Food Grade
- Technical Grade

Hydrogen Peroxide Group

- HYDROGEN PEROXIDE (H_2O_2)

Water Treatment Group

- Bleachwin (Special Grade Hydrogen Peroxide Package)
- Scalewin (Water Treatment Chemical)
- Poly Aluminium Chloride ($\text{Al}_n(\text{OH})_{n-3m-n} \cdot x$)
- Biowin (Water treatment chemical)
- Stable Bleaching Powder (SBP) (CaOCl_2)

Hydrazine Hydrate Group

- Hydrazine Hydrate Group
